# Commission on Teacher Credentialing Approved Certificate Program: Added Authorization in Special Education—Autism

The El Dorado County Office of Education (EDCOE) Special Services Department has developed this AASE-Autism program to meet the unique needs of our rural community. The program, which will lead to the completion of the Added Authorization in the area of Autism, consists of 7 courses (13 college units) which address the CTC standards related to Autism Spectrum Disorders. In addition to coursework, the program provides for guided practice, performance critiques, and a practicum to pull all of the information together into supervised practice.

## Courses

1. Characteristics of Autism Spectrum Disorders
2. Teaching, Learning and Relationship Building for Students with Autism Spectrum Disorders
3. Collaboration and Working with Multi-Disciplinary Teams
4. Communication and Behavior for Students with Autism Spectrum Disorders
5. Programming Strategies for Students with Autism Spectrum Disorders
6. Assessment, Need Identification and IEP Development
7. Practicum in Teaching Students with Autism Spectrum Disorders

## Instructors

The program is staffed with individuals who have demonstrated expertise in the field of autism, including Licensed Educational Psychologists, Behavior Analysts and Teachers. The goal is to provide educators with the information, tools and practice necessary to implement appropriate programs for students with Autism Spectrum Disorders.
