Buckeye Union School District

Silva Valley Elementary School

2011-2012 School Accountability Report Card

Principal's Message

Our mission is to provide a safe, nurturing and challenging educational environment in which students are eager learners, realize their full potential, exhibit positive self-esteem, and are successful, productive citizens now, and in the future. We are committed as a staff to providing a safe and healthy learning environment for our students. Families receive a handbook that informs students and parents of school expectations with a school-wide positive behavior system that provides a safe and secure school.

Silva Valley School is setting the standard for excellence. All staff have high expectations and hold themselves accountable. There is a joy of learning for staff and students. We all are working together to provide a high quality educational program for all students.

District Mission Statement

It is the mission of the Buckeye Union School District to provide the highest quality educational program for all students so that they fulfill their innate potential, become lifelong learners, and contribute to society as responsible citizens.

District Vision Statement

Working together with families, the community, and a highly-qualified staff, the Buckeye Union School District ensures that each student masters the knowledge and skills needed to maximize his/her academic and personal success in a global society.

School Profile

Silva Valley Elementary is one of six elementary schools, including a Charter Montessori located on the Blue Oak campus, and two middle schools in the Buckeye Union School District. The district was established in 1858 and currently serves the communities of Shingle Springs, Cameron Park and El Dorado Hills in El Dorado County.

During the 2010-11 school year, 637 Kindergarten through fifth grade students were enrolled at the school, with classes arranged on a traditional schedule.

Student Enrollment by Ethnic Group	
2010-11	
	Percentage
African American/Black	0.9%
American Indian	0.3%
Asian	7.5%
Filipino	1.4%
Hispanic or Latino	9.3%
Pacific Islander	0.6%
White	74.9%

Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact Silva Valley Elementary at (916) 933-3767. For more information on the Buckeye School District, contact the Superintendent, Dr. David Roth, or the Assistant Superintendent, Gabrielle Marchini, at (530) 677-2261 or (916) 985-2183.

Discipline & Climate for Learning

Students at Silva Valley Elementary are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy and acceptance of others. The goal of the Silva Valley Elementary discipline program is to encourage "Positive Action" through the Core Values of respect and tolerance; responsibility; kindness and compassion; pride and citizenship.

Parents and students are informed of school rules and discipline policies through the Parent/Student handbook, Back-to-School Night, and through Teacher newsletters and webpages issued on a weekly or monthly basis.

The suspensions and expulsions table illustrates total cases for the last three years, as well as a percentage of enrollment. Suspensions are expressed in terms of total infractions, not number of students suspended, as some students may have been suspended on multiple occasions. Expulsions occur only when required by law or when all other alternatives are exhausted.

Suspensions & Expulsions

Expulsions	0	0	0	11	7	4
Expulsion Rate	0.0%	0.0%	0.0%	0.2%	0.1%	0.1%

Student Recognition and Achievement

The school recognizes and celebrates the achievements and successes of students and staff on a regular basis. Students are recognized for their achievements in the following ways: Academic Awards each trimester (4th-5th), Core Values Awards and Physical Education Awards (3rd-5th).

Extracurricular and Enrichment Activities

Students are encouraged to become involved on campus through various programs: Cross Country (3rd-5th), Odyssey of the Mind, Oral Interpretation, Spelling Bee, Green Team, Student Council (4th-5th), Nature Bowl (3rd-5th), Life Lab, Parking Lot Supervisors and TEAM Eagle.

Tutoring

Silva Valley Elementary offers a pull-out program during school hours for reading fluency and comprehension in first through fifth grades. An afterschool math program offered the second and third trimesters of the year, assists third, fourth and fifth graders in reinforcing concepts and study skills.

Enrollment by Grade Level

Silva Valley Elementary offers various incentives through awards and recognition to encourage students in regular attendance. Student absences are followed up first by teacher contact through phone calls and subsequent letters home.

In the event of habitual truancy, students may be referred to the district's Student Attendance Review Board (SARB). SARB is only utilized in cases of persistent absence and behavioral issues at school, and when other avenues of prevention are ineffective.

This table illustrates the enrollment trend by grade level for the past three school years.

Enrollment Trend by Grade Level

Class Size

In addition to credentialed teachers, students receive assistance in the classroom from parent volunteers. The table indicates the average class size by grade level or subject area, as well as the number of classes offered in reference to their enrollment.

Instructional Time (Includes Minimum days)

For the 2010-11 school year, Silva Valley Elementary offered 180 days of instruction, comprised of 172 regular days. The additional eight minimum days were utilized for staff development and parent/teacher conferences. All instructional time either met or exceeded the daily instructional minute requirements specified in the California Education Code. The table displays a comparison of the number of instructional minutes offered at the school as compared to the state requirement for each grade level

Instructional Minutes By Grade Level		
	Minutes Required	Actual Minutes
K	36,000	36,135
1st	50,400	51,975
2nd	50,400	51,975
3rd	50,400	51,975
4th	54,000	54,000
5th	54,000	54,000

Parent Involvement

Silva Valley Elementary understands the positive correlation between parent involvement and student success. For this reason, the school continually searches for avenues to involve parents and the community to participate in the education of our students. The school greatly benefits from its supportive parents who are active in the Parent Teacher Association (PTA), and make up the 60 volunteers in the School Garden. Parents are also able to volunteer for the "Meet the Masters" art program, offering lessons once a month.

Staff Development

As part of the growth process, opportunities for training and staff development are provided at both the district and individual school sites to administrators, teachers, and classified staff. The district offers three staff development days annually, where staff members are offered growth opportunities in curriculum, teaching strategies, and methodologies.

The 2011-12 staff development focus includes: Differentiated Instruction to meet the needs of a variety of learners in the classroom, use of technology in the classroom, review of data related to state and district level assessments, areas of focus related to specific duties according to grade level and subject area, and other topics as they arise as an area of need based on site goals for the school year.

Staff is offered support through the Peer Assistance Review (PAR) program and new educators can find mentors through the Beginning Teacher Support Association (BTSA).

Teacher Assignment

Buckeye Union Elementary recruits and employs the most qualified credentialed teachers. For the 2010-11 school year, Silva Valley Elementary had 28 fully credentialed teachers who met all credential requirements in accordance with State of California guidelines.

	Teacher Credential Status			
	School			District
	08-09	09-10	10-11	10-11
Fully Credentialed	35	27	28	215
Without Full Credentials	0	1	0	0
Working Outside Subject	0	0	0	6

Teacher misassignments reflect the number of placements within a school for which the certificated employee in the teaching or services position (including positions that involve teaching English Learners) does not hold a legally recognized certificate or credential.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire year. For the 2011-12 school year, the most current data are reported.

	Misassignments/Vacancies		
	09-10	10-11	11-12
Misassignments of Teachers of English Learners	0	0	0
Misassignments of Teachers (other)	0	0	0
Total Misassignments of Teachers	0	0	0
Vacant Teacher Positions	0	0	0

Highly Qualified Teachers

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified" no later than the end of the 2006-07 school year. Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

Curriculum Development

All curriculum development in the Buckeye Union School District is based on the California State Content Standards and Frameworks. Curriculum guides are updated regularly by the Curriculum Committees, in conjunction with the School Advisory Committee to align with the state standards, district goals, and the statewide assessment program.

The following is an overview of the curriculum adopted, by subject:

Language Arts

Silva Valley Elementary provides a balanced approach to honing the skills of listening, speaking, reading, and writing. Students learn to read through direct instruction and step-by-step strategies. Teachers utilize the "Step Up to Writing" program, and the Accelerated Reader program is utilized in grades K-8 throughout the district.

Math

Students review math concepts and skills with "daily tune-ups." Supplemental problem solving materials are used one or more times a week.

Science

Curriculum is based upon a hands-on learning approach in conjunction with the teaching of the scientific method, providing a complete program in earth, physical, and life sciences.

Social Studies/History

The district adopts subject materials designed to help students connect the past and the present, articulated more fully through adjunct field trips and projects.

Health

The classroom teacher and the physical education teacher, with assistance from the school nurse and school counselor, use the Positive Action program and school-wide Core Values, placing emphasis on positive behavior and strong self-concept.

Visual and Performing Arts Curriculum

Each year students have the opportunity to participate in one formal grade level music/drama production, as well as many informal drama activities. Instrumental music is offered to all interested fourth and fifth grade students.

Physical Education

A physical education specialist works with classroom teachers to offer a well-defined program. The focus is on developing motor skills and movement exploration for grades 1-3, and the introduction of team sports for grades 4-5.

Data Sources

Data within the SARC was provided by Buckeye Union School District, retrieved from the 2010-11 SARC template, located on Dataquest (<http://data1.cde.ca.gov/dataquest>), and/or Ed-Data website. Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention.

Ed-Data is a partnership of the CDE, EdSource, and the Fiscal Crisis and Management Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

Counseling & Support Staff

It is the goal of Silva Valley Elementary to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure. *The counselor-to-pupil ratio is 1:637.* The table lists the support service personnel available at the school.

Special Education

The Resource Specialist Program (RSP) and Special Day Class (SDC) serve students in our learning center. Students in these programs are included in activities of the regular education program to the greatest extent possible.

Gifted and Talented Education (GATE)

Teachers have been trained to differentiate their curriculum to challenge GATE students on a frequent basis. Supplementary opportunities occur once a month after school to provide students with experiences beyond the classroom in art, science, and math.

English Language Learners

Students receive EL instruction 4 days a week for 30 minutes on a pull-out and push-in basis. Rosetta Stone software is used both in school and at home.

Instructional Materials

Buckeye Union School District held a public hearing on the seventh of September 2011, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of *Williams vs. the State of California*. All students, including English Language Learners (ELL), are provided their own individual standards-aligned textbooks or instructional materials, or both, in core subjects as well as foreign language for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in October 2011 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

District-Adopted Textbooks

Grade Levels	Subject	Publisher	Adoption Year	Sufficient	% Lacking
K-5	English/ Language Arts	Houghton Mifflin	2003	Yes	0.0%

Additional Internet Access/Public Libraries

For additional research materials and Internet availability, students are encouraged to visit the public libraries located in the cities of El Dorado Hills and Cameron Park, which contain numerous computer workstations.

Library & Computer Resources

The school's library, staffed by a part-time Library Clerk, provides an extensive variety of reference and special interest materials, in addition to hundreds of educational and recreational books. Students visit the library on a weekly basis with their classes.

All classrooms have at least three computers that are connected to the Internet. Silva Valley Elementary has one computer lab of 35 computers, with headphones available at each station. Teachers are scheduled twice a week to supervise the lab. Computer skills and concepts are integrated throughout standard curriculum, preparing students for technological growth and opportunity. The school utilizes the following software programs: Type-to-Learn, Education City, All the Right Type, Accelerated Reader, RAZ Kids and Rosetta Stone. Each classroom contains: Promethean boards, ELMOs, In-Focus projectors, and laptops.

Physical Fitness

In the spring of each year, Silva Valley Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to perform fitness tasks in six major areas: Aerobic Capacity, Body Composition, Trunk Extension Strength, Abdominal Strength, Upper Body Strength, and Flexibility. Students who either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the Healthy Fitness Zone (HFZ). The table shows the percent of students who met the fitness standards.

California Standards Test (CST)

The California Standards Test (CST), a component of the STAR Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards).

The first table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in English/language arts, mathematics, social science, and science, for the most recent three-year period.

Federal Intervention Program

Schools and districts receiving Federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

Academic Performance Index (API)

The Academic Performance Index (API) is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to achieve.

Statewide Rank: Schools receiving an API Base score are ranked in ten categories from 1 (lowest) to 10 (highest), according to type of school (elementary, middle, or high school).

Similar Schools Rank: Schools also receive a ranking that compares that school to 100 other schools with similar demographic characteristics. Each set of 100 schools is ranked by API score from 1 (lowest) to 10 (highest) to indicate how well the school performed compared to similar schools.

The first table displays the school's statewide and similar schools' API ranks and API point changes by student group. The second table displays, by student group, the 2011 Growth API at the school, district, and state level.

Adequate Yearly Progress (AYP)

No Child Left Behind (NCLB) is a federal law enacted in January 2002 that reauthorized the Elementary and Secondary Education Act (ESEA). It mandates that all students (including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency) in all grades meet the state academic achievement standards for mathematics and English/Language Arts (ELA) by 2014. Schools must demonstrate "Adequate Yearly Progress" (AYP) toward achieving that goal. The Federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) requirements:

- Participation rate on the state's standards-based assessments in ELA and mathematics.
- Percent proficient on the state's standards-based assessments in ELA and mathematics.
- API as an additional indicator.
- Graduation rate (for secondary schools).

There are several consequences for schools that do not meet the AYP standards, including additional tutoring and replacing of staff. Students would also be allowed to transfer to schools (within their district) that have met their AYP, and the former school would be required to provide the transportation to the new site. Results of school and district performance are displayed in the table.

School Safety Plan

The school provides a safe, clean environment for students, staff, and volunteers. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire, earthquake, and disaster drills are held regularly throughout the school. The School Site Safety Plan was last reviewed in September 2011 by the School Advisory Committee. The plan addresses earthquake safety, Positive Action Program, emergency procedures, visitor policy, TEAM Eagle and the traffic policy.

All revisions were communicated to both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Students are supervised before and after school by certificated staff. Yard duties supervise during lunch and break periods. There is a designated area for student drop off and pick up in front of the school. Visitors must sign-in at the front office and obtain a badge before they enter campus, and sign-out when leaving.

School Facilities

The Buckeye Union School District is proud of the facilities that are provided for students and families. Each year parent surveys indicate that they are pleased with the condition of the schools. In the most recent parent survey, 97.5% of parents indicated that the district schools were clean and well-maintained.

Silva Valley Elementary was originally constructed in 1992 and is comprised of 26 classrooms, two portables, one administrative classroom, one gym, one multipurpose room, one library, one staff lounge, one computer lab, and two playgrounds. In recent years, Measure K paid for the expansion of the library and computer system, installation of a new intercom system, addition of 12 library computers, and campus re-keying. While reviewing this report, please note that even minor discrepancies are reported in the facility inspection process. The items noted in the table have been corrected or are in the process of remediation.

***Exemplary Rating: The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.**

Cleaning Process

The principal works daily with the custodial staff of four (two full-time day crew, one full-time and one part-time night crew) to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office for review.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure that efficient service and highest priority are given to emergency repairs.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems. In 2011-12, the district did not allocate additional funds towards the deferred maintenance budget as allowed per statute revisions made by the state legislature at the beginning of the 2009-10 fiscal year. During the 2011-12 school year, the district's governing board approved deferred maintenance projects for the school, including asphalt crack seal, seal coating and Restriping. Building H was repainted in 2010-11.

Teacher & Administrative Salaries

The table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of the district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found at the CDE website, www.cde.ca.gov.

School Site Teacher Salaries

The table illustrates the average teacher salary at the school and compares it to the average teacher salary at the district and state (based on fiscal year 2009-10 financial statements).

Average Teacher Salaries

District Expenditures

The expenditures per pupil data is based on 2009-10 fiscal year audited financial statements. The table reflects the direct cost of educational services, per average daily attendance, excluding food services, facilities acquisition and construction, and certain other expenditures. This calculation is required by law annually and is compared with other districts state-wide.

District Revenue Sources

In addition to general state funding, Buckeye Union School District receives state and federal funding for the following categorical funds and other support programs:

- Special Education
- Economic Impact Aid
- Title I
- Title II
- Title III
- Home to School Transportation
- English Language Acquisition Program
- Lottery
- K-3 Class Size Reduction
