BP 6100 Concept and Roles

The Board recognizes that the County Office of Education provides leadership, coordination and support to the programs operated by the County and/or the Superintendent, as well as to local school districts.

The Board articulates the educational philosophy and goals through policy. The Board policies also seek to reinforce the adopted mission and goals of the County Office of Education and provide general direction to the Superintendent in his/her work with instructional staff in the development and implementation of curriculum and effective instructional strategies.
